REI EMMANUEL CRISTOBAL

ASPIRING WEB DEVELOPER

- +63 977 807 1232
- lr.recristobal@mmdc.mcl.edu.ph
- Caloocan City, Philippines

PROFILE SUMMARY

BSIT student at Mapúa Malayan Digital College with a previous degree in Physics from DLSU. My background in science and student leadership has trained me to be highly organized and logical. Currently, I specialize in creating clear technical documentation, planning databases, and testing web projects. I am seeking an internship focused on website creation and project support.

TECHNICAL SKILLS

- **Documentation & Planning:** SRS / system guides, UML/ERD, user flows, presentation decks
- **Testing & Support:** Test cases, UAT checklist, bug reports (steps + screenshots)
- **Tools & Technologies:** Draw.io, Lucidchart, Google Workspace, VS Code, Docker, MongoDB

EDUCATION

2022-2026 (Expected)
MAPÚA MALAYAN DIGITAL COLLEGE
Bachelor of Science in Information Technology
Major in Software Development

2015-2019
DE LA SALLE UNIVERSITY - MANILA
Bachelor of Science in Premed Physics

CERTIFICATIONS

- **Civil Service Exam (Professional Level) Passer –** August 2023
- **DLSU Outstanding Thesis Awardee –** 2019

PROJECTS

MentEase: A Mentoring Platform for Scheduling, Feedback, and Collaborative Growth (Capstone Project)

Project Manager / UI & Database Planning

- Led project planning by defining what each page should contain for Student, Mentor, and Admin pages.
- Designed key Mentor and Admin pages, including layout, sections, and user flow.
- Helped plan the database structure by identifying core tables/entities and how they relate.
- Coordinated tasks with the team and supported documentation and presentation preparation.

FinMark: Authentication Service Prototype (Project)

Documentation & Support

- Wrote a clear guide for the login/register process and what each endpoint does.
- Documented validation rules, expected inputs/outputs, and common error responses.
- Supported team presentation by summarizing the purpose and flow of authentication.

LEADERSHIP & WORK EXPERIENCE

Adventist Medical Center Manila | Laboratory Assistant | June – July 2018
- Managed patient paperwork and documentation with high attention to detail.
- Collaborated with medical staff to operate diagnostic machines (X-ray, Ultrasound, CT Scan).

DLSU Physics Society (Physoc) - Vice President for Finance | 2016 – 2017
- Managed club finances, transaction records, and reimbursements, ensuring transparency and accuracy.
- Initiated and organized successful fundraising events to support organization activities.
